## Basketball – mini

### THE TEAM

A team of five players with one substitute is required. More students could cause variations.

### THE GAME

The size of the ball used will vary with the age of the players: 8 – 11 (size 5), 12+ (boys use size 7 and girls use size 6)

Read the rules for basketball and apply to the game with some leniency for beginners particularly in reference to 3 second calls.
